

**BRANZ Ltd
Stand 22**

BRANZ Ltd is an independent and impartial, research, testing, consulting and information company providing resources for the building industry.

BRANZ's core purpose is to improve people's lives through our research and to inform, educate and motivate those who shape the built environment. This is achieved through the work of over 100 highly trained, specialist staff located in Wellington, Auckland, Hamilton and Sydney. With this broad range of experience and capabilities, and an end to end understanding of the industry, BRANZ is able to provide a one-stop-shop for problem solving and information uniquely focussed on building and construction.

BRANZ aims to provide our customers with innovative and profitable research-based solutions, helping to create a better built environment, through publications, seminar and training services, contract research, product appraisal, material and fire testing.
