

**Carter Holt Harvey Woodproducts NZ Ltd
Stand 10**

Carter Holt Harvey Woodproducts NZ proudly manufactures an extensive range of quality products using sustainably grown NZ plantation pine. Our cladding products include Shadowclad® and Profiles™ Weatherboard, while internally there is a wide range of Timber Mouldings under the Profiles brand along with durable, natural looking plywood linings. Outside our Pinex® range covers Decking, Retaining Walls and everything for a fence. For structural applications, Laserframe® timber, Ecoply® and Engineered timber products like hySPAN® and hyJOIST® are available.
