Stand 20

**MiTek New Zealand Ltd.**

---

**GANG-NAIL® LUMBERLOK® BOWMAC®**

This is MiTek's 12<sup>th</sup> year at the national conference.

We are once again proud to be associated with this event and with the Building Officials Institute NZ through the Academy of Training.

MiTek is the leading supplier of truss connector plates, timber connectors and structural brackets for Building Code compliance under the Gang-Nail, Lumberlok and Bowmac brands.

Our own developed MiTek 20/20 design software is the tool most widely used in NZ for detailing trusses and wall-frames for timber framed houses and is used by Gang-Nail Fabricators nationwide.

MiTek looks forward to welcoming conference delegates onto the display stand.
