

**Pryda New Zealand  
Stand 32**

Pryda New Zealand has developed over 45 years to provide a diverse range of quality timber connectors and structural brackets, a nationwide sales and distribution network, extensive service capabilities and superior software and manufacturing systems to support the building industry.

We are an autonomous division of USA based Illinois Tool Works Inc. a Fortune 200 diversified manufacturing company of more than 90 years history and gain valuable benefits from our association with other ITW nailplate suppliers from around the world.
