

**** VALUED DIAMOND PARTNER****

**Winstone Wallboards Ltd
Stands 15 & 16**

Winstone Wallboards Ltd is New Zealand's largest manufacturer and supplier of gypsum plasterboard, drywall systems, associated products and services. We have manufactured plasterboard systems under the GIB® brand since 1927.

At Winstone Wallboards Ltd we are always striving to ensure our service is the best in the industry.

We are committed to quality research, and we work closely with researchers at universities, at New Zealand's major industrial research and development centres and with our international and domestic partners, so we can keep coming up with improved products, systems and solutions. GIB® products and systems are independently tested and BRANZ Appraised, making sure that everything we do meets and exceeds New Zealand's stringent building codes.

The support and service we offer is among the best in the industry. To help you get the job done properly, best practice installation technical literature is available for GIB® products and systems. The GIB® Technical team, available at 0800 100 442, can help with simple queries to highly complex technical specifications. Furthermore, they can provide free on-site training support to ensure that you and your team are kept up to date with the latest systems.

Visit www.gib.co.nz for more information on the full range of products and services we offer. Alternatively, contact the GIB® Helpline free phone 0800 100 442.
