

**Kop-Coat New Zealand Ltd  
Stand 29**

Kop-Coat New Zealand Limited was established in April 1988 by Kop-Coat Inc, a US based company; together we comprise one of the many subsidiaries of RPM Inc, a Fortune 500 company with operations in over 30 countries.

The Kop-Coat New Zealand Wood Protection Group is one of the leading providers of innovative protection solutions for timber and wood products. Kop-Coat's products and equipment meet the highest standards of environmental responsibility and worker safety.
