

CALL FOR PAPERS

The logo for the Building Officials Institute of NZ features a stylized mountain range with three peaks. A green line with a yellow dot at its start curves over the mountains. Below the mountains, the text 'Building Officials Institute of NZ' is written in a sans-serif font. Underneath that, the tagline 'People Helping People' is written in a smaller font, with a thin black line curving under it.

Officials Institute of NZ
People Helping People

The background of the entire page is a photograph of the Auckland skyline, featuring the Sky Tower and various city buildings, viewed from the water. The year '2011' is overlaid in large, semi-transparent white letters.

2011

Annual Conference & Expo
AOTEA CENTRE, AUCKLAND

10-13 APRIL, 2011

INTRODUCTION

The Annual Conference and Expo of the Building Officials Institute of New Zealand is the key annual event in which building professionals have an opportunity to develop a better understanding of the responsibilities and duties imposed on them by Acts and Regulations. It also provides opportunities for Institute members to meet, correspond and exchange knowledge and ideas relevant to the science of building.

WHO WILL ATTEND?

Another successful conference was held in Rotorua in 2010 and these numbers are expected to grow once again when the conference is held in 2011. Delegates will include building control professionals, surveyors, architects, builders, developers and others interested in this industry.

CONFERENCE VENUE & DATES

Aotea Centre, Auckland

Sunday 10 April to Wednesday 13 April 2011

CALL FOR PAPERS

The Building Officials Institute of New Zealand invites members and friends of the Institute to submit an abstract of their proposed paper and technical presentation to the Annual Conference and Expo committee for consideration. Members are also encouraged to provide submissions on possible interactive workshops, hands-on experiential activities to promote active participation of the audience. Once the date for submissions has closed the committee will meet to discuss the merits of individual submissions for presentations and workshops. The successful authors will be notified of their decision immediately following this meeting.

COMMITTEE

The 2011 Technical Committee are:

Richard Toner (chair)

Tim Weight

Steve Hull

IMPORTANT DATES

Submission of abstract	26 July 2010
Notification of acceptance	3 September 2010
Confirmation from author	13 September 2010
Registration brochure out	Early December 2010
Presentation ready	March 2011

TOPICS

- New technologies: building products, equipment for inspection and IT
- Case studies in building controls, site inspections, processing, HR issues, document control and quality management
- Regulatory changes and implementation
- Local government issues
- Best practice guidance in building controls
- Staff development and training
- Personal health and well-being, eg. stress management
- Building products and systems
- Safety and Hazards in the workplace
- New provisions
- Or any other topic deemed worthy of acceptance to the conference programme

SUBMIT ABSTRACT FORMS

Use one Abstract Submission Form for each individual paper/presentation/workshop to be presented. Each submission should include a short abstract of no more than 150 words.

CONFERENCE FEES

All conference attendees and speakers (unless invited) are required to pay at least a one-day conference registration fee to attend and present.

FINAL PRESENTATION

You must agree to have a final copy of your PowerPoint to the National Office at least one week prior to the conference. You will still be able to make changes to your presentation at the conference if necessary.

Annual Conference & Expo
