

## **BRANZ OUTSTANDING COMMITMENT TO INFORMATION, SKILLS DEVELOPMENT AND EDUCATION OF BUILDING OFFICIALS:**

**This Award is given to the individual or organisation who demonstrated outstanding commitment to providing information, developing skills and advancing the education of Building Officials within the Industry.**

### **Award Presenter – Chelydra Percy, BRANZ**

This person is proactive in initiating and running forums for his North Island branch, in particular encouraging BCA staff across Councils to get involved to promote information and document sharing. He's been instrumental in standardising compliance schedule layouts and BWOF forms to make a more informed and enjoyable experience for customers.

It doesn't stop there, he is proactive in initiating discussions amongst BCAs so that technically competent BCO's who are at the top of their game, meet and extend their knowledge through open forum discussions. Within his own organisation he is always looking for ways to bring staff together to break down silos and encourage open topic discussion and skills sharing.

Through his BOINZ Branch involvement he helps identify training gaps, and has created training and presentation opportunities within the Branch to fill these gaps. The outcome results in members across the region getting clear and consistent messaging and knowledge which in turn assists customer service and understanding.

This individual is passionate about BOINZ and is always encouraging members to commit to both local Branch and the Institute's National Training Academy courses.

Ladies and gentleman, it is with great pleasure I welcome to the stage to accept the
