

Boinz Central Branch Chairpersons Report 2017

It is with pleasure I submit the Chairpersons report for the Central District Branch 2017.

I would like to thank Marcus Deans for his work as Chairperson for the last 18 months before taking on a new challenge outside of Council

A special thanks to Palmerston North, Rangitikei, Tararua and Wanganui Councils for providing fantastic venues for branch meetings. It has been a pleasure visiting different Councils.

The Central Branch currently has 98 members which includes 16 new members from this time last year.

BOINZ training within the Central District area has continued to be an issue with most if not all training courses held outside the region adding to Councils cost with travel and accommodation. As a branch we will continue to explore support in holding relevant courses within the region.

Attendance to Branch meetings has been lower than previous years, this is partly due to the increase in workloads we are all currently experiencing. However in light of this we have had a number of technical experts present at our meetings and I would like to give special thanks to the presenters listed below for their time during the past year

- Nick Hill- BOINZ
- Gavin Edwards- NZ HHA
- Loren Dix – Forman Building Systems
- Alan Moule – National Consulting
- Craig White – Carter Holt Harvey
- Marcus Deans – Allied Concrete

Lastly I would like to thank all members that have taken the time to attend this year's meeting and would encourage you to highlight the benefits of attendance to other members the biggest benefit being networking with members from other Councils.

Regards

Central Districts Chairperson

Bryan Clark
