

# WELLINGTON 24

**Building  
Resilience**

Annual Conference & Expo 2024, TSB Arena, Wellington 20 - 22 May

# Building Resilience

## DAY 1

8:00AM-3:40PM

### Keynote:

TBC

### People Resilience

Lance Burdett (The crisis negotiator)

### Topic TBC

Dave Gittings (MBIE)

### Engineering NZ Update

Martin Pratchett (Engineering NZ)

**Design Quality Assurance tools** - Jane Henley (MBIE)

### Bachelor in Building Surveying and Control -

Sam Alavi (Future Skills)

### Key takeaways from national producer statement fraud

Simon Waalkens (Rice Spier)

### Performance vs Prescription

Neil Savery (ICC)

## DAY 2

7:30AM-11:30AM

### Keynote:

#### Water Transformation 2050

Lesley Smith (Water NZ)

#### BRANZ commitment to the future of the built environment

Claire Falck (BRANZ)

#### Entry to BCA Part Two Programme

Kirsty Wallace (BOINZ)

#### Boosting the System Advanced Training & Development for Experienced BCOs

Jayson Ellis and Kirsty Wallace (BOINZ)

# Building Resilience

DAY 2 cont...

11:30AM-5:00PM

## Breakouts:

Sustainability / Roofs

### A Deep Dive into Retrofits

Guy Shaw (Passive House)

### Insulated Warmroofs

Thomas McLaughlin (ILD)

### ModelDocs - The findings and Way Forward

Anthony Hoete (Auckland University) & Peter  
Laurenson (BOINZ)

### Whole-of-life embodied carbon assessment tools: towards a robust regulation

Lesley Metibogun (MBIE)

### Determinations: The Past, the Present, and the Future

(MBIE)

## Site Visits:

### The Living Pa

### Town Library

Seismic strengthening

### Town Hall

## Breakouts:

QA/Training / Commercial Construction / Plumbing

### Unlocking Leadership Potential in Building Surveying/Building Control Industry: Your Input Matters!

Patrick Schofield (Future Skills)

### Holistic Solutions for Complex Challenges in Commercial Interior Design

Matt Bishop (Penguin)

### Plumbing & Drainage Updates

Ross Wakefield (MBIE)

### Only five questions matter

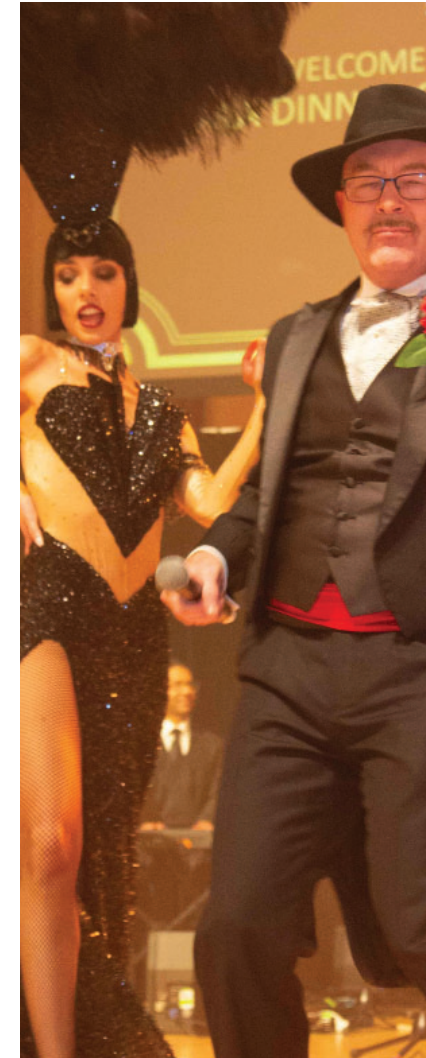

Rob Tierney (Farsight)

### The new AWES QAM for Full-Scale Wind testing of Components of Building Envelopes and Architectural Features

Greg Simmons (INSOLNZ)

### Tanking Membrane Resilience Under Extreme Weather Conditions

Chris Ross (MBIE)

Gala Dinner & Excellence Awards, Auckland 2023

# Building Resilience

## DAY 3

8:00AM-3:00PM

### Keynote:

#### People Resilience

Simon Curran (Shine)

Brought to you by Heaney & Partners

#### Licensed Building Practitioner

Duncan Conner (MBIE)

### Materials Session - Timber, Concrete & Steel

#### A Net-Zero Carbon Concrete Industry: A Sustainable Future for the World's Most Widely Used Construction Material

Rob Gaimster (Concrete NZ)

#### Innovation for Hybrid timber buildings

Daniel Scheibmair (Simpson Strong-Tie)

#### Resilience & Product Certification

Andrew Wheeler (ARCS)

#### Natural Hazards in New Zealand: Implications for Building Consent Authorities and Future Preparedness

Sarah Farnell (Rice Spier)

#### Standards for the building and construction sector - What is latest good practice?

Malcolm MacMillan (Standards NZ)

Brought to you by
