## BRANCHES

Where you connect  
with your colleagues  
and industry experts

We Have **Nine Branches:**

# THE BOINZ BRANCH NETWORK AND TRAINING EVENTS

## Branch events are included in your membership

### What you can expect:

Branch meetings are held regularly and give members an opportunity to listen to industry experts, technical presentations, legislative updates and more in a face-to-face and/or online setting from local businesses, associations and professionals.

Members also have the opportunity to attend site visits and see how the design and build environment operates across different scenarios. These are widely enjoyed meetings where longstanding and new members can meet and put their heads together to discuss current events and common issues often encountered by the industry.

Members are encouraged to participate in their local branch meetings with a view to growing their expertise and for networking opportunities.

Branch participation enhances career opportunities.

## GUARDIANS OF BUILDING QUALITY

Committed to ensuring the quality of New Zealand's buildings meets the requirements of the community and building occupiers

## THE WEBSITE

### Our membership information hub

## [www.boinz.org.nz](http://www.boinz.org.nz)

Our website is the information hub of the Institute, being a functional, accessible resource for members. The website also allows members to download and access publications and documents relating to the building industry.

The website provides access to our comprehensive [Training Calendar](#) and a [Job Listings](#) section which aids the process of finding employers and employees.

Be sure to visit regularly, as the website will be frequently updated with news, event updates and fresh content.

# My BOINZ

---

## My BOINZ

**Members get access to the My BOINZ portal. Here members can access all the benefits that come with being a member of BOINZ**

### **My BOINZ allows members to:**

- Update their details
- Register online for Training
- Explore Academy courses and events
- View bookings
- Access Branch Training and Networking Events calendar and minutes
- View episodes of Hard Hat Talk and read Straight Up magazine.

---

## BOINZ BOOST APP

### Maximising membership benefits and staying connected with the building industry

As a member of BOINZ you will get access to the **Boost App**. This allows our members to get up-to-date information on activities BOINZ has to offer and conveniently access nationwide and local discounts. **Boost+** allows members to discover discounts closest to their location including:

- Appliances and Technology
- Building and Maintenance
- Food and Grocery
- Hotels
- Vehicle and Fuel.

It's also your go-to hub for quick access to:

- Code Talk Newsletter
- Branch Events
- Events, including Symposium and the Leadership Forum
- Job Vacancies.

---

## ADVOCACY

**The Institute provides regulators with independent and unbiased advice based on experiences in the design and building sector**

BOINZ is committed to representing the views and concerns of all those in the industry, continuously advocating for the important work our members do to achieve quality building outcomes.

In advocating for the right building outcomes, the Institute's advocacy operates to inform Ministers, Government Department staff, and assist with the development of NZ standards and industry guidelines.

Through active advocacy and vital submissions, BOINZ works to advance the built environment.

Members can access BOINZ submissions on the website via My BOINZ.

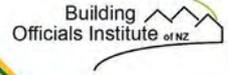

---

## STRAIGHT UP

**Our seasonal magazine of industry insights and expertise**

STRAIGHT UP is our quarterly digital magazine, emailed directly to members. It features insightful technical articles by industry experts, product developers, and researchers, along with the latest industry news and updates about our members. Designed to keep you informed and ahead of the curve, STRAIGHT UP ensures your knowledge and skills remain relevant in an ever-evolving field.

# CODE TALK

## CODE TALK

**Code Talk contains the latest news, information and updates for the building surveyor community**

**Code Talk** brings members the latest industry news, essential updates, training opportunities, membership news, retail promotions, and branch notices. It's the perfect way to stay informed with a quick snapshot of what's happening across New Zealand.

Members receive Code Talk, our fortnightly newsletter, directly in their inbox.

---

## HARD HAT TALK

**Hard Hat Talk is  
our virtual  
window for  
building sector  
issues**

Hard Hat Talk offers a technical library of valuable information featuring interviews with industry leaders in concise 10-15 minute sessions that provide relevant updates about the industry.

---

## TRAINING ACADEMY

### For all you need to know to be a professional in building surveying

#### The Training Academy offers:

- A wide range of courses to support your continuing professional development
- Facilitated training (online or face-to-face)
- Programmes for new entrants
- A special advanced workshop series
- Online, self-paced training

The Training Academy is a subsidiary of the Institute. Its goal is to foster career development and promote job satisfaction through quality training that is relevant and up to date.

We deliver training designed for the needs of professionals in building surveying and controls, the building industry and anyone who is interested in building compliance and quality building outcomes.

The Training Academy provides a wide range of easy-to-access, great value, educational courses on a training pathway from Introduction and Foundation to Intermediate to Advanced levels. The courses are delivered in person (face-to-face or online) or as online, self-paced courses that you can study anytime, anywhere.

For more training details check out Our Training and the Training Calendar in the Training Academy section of our website:

<https://www.boinz.org.nz/education/about-the-training-academy>

**Current financial members of the Institute are eligible for significant discounts in training investments.**

---

## TRAINING PROGRAMMES FOR NEW ENTRANTS

### Get on board and build competency faster with BOINZ's programmes for new entrants

**Phone** (04) 473 6003

**Email** [training@boinz.org.nz](mailto:training@boinz.org.nz)

These programmes have been designed with building managers to help get newer staff up to speed more quickly in a cost effective way with flexible learning.

**Introduction to Building Surveying** is a suite of three online self-paced courses that provide an ideal intro for people brand new to building controls.

**Foundations of Building Surveying** is a 12-week series of 14 online facilitated courses designed to help newer staff achieve Res 1 competency faster. It helps new staff who are:

- heading into the demands of the Diploma facilitated by Future Skills, or
- looking to add the building controls context to an existing Reg 18 qualification.

For more information on these programmes, please check out the Training Academy section of our website.

<https://www.boinz.org.nz/Site/education/programmes.aspx>

---

## HR DIVISION

**We offer the following services and benefits**

**20 MINUTE FREE CONSULTATION FOR MEMBERS** - BOINZ and Duncan Cotterill, our Employment Law partners, provide a 20 minute free consultation on employment law issues to Institute members.

**JOBS BOARD** - The best way to find your next career move. We run a jobs board <https://www.boinz.org.nz/jobs/> on our website allowing you to see the latest available jobs in the country. We also post some of these roles on our social media pages so be sure to connect with us on our [Facebook](#) and [LinkedIn](#) pages.

**RECRUITMENT** - We are also able to help with specialist recruitment support including advertising your organisational vacancies or assisting you with CVs and national / international recruitment. For more information visit our website <https://www.boinz.org.nz/hr-division/job-seekers/> or email [recruitment@boinz.org.nz](mailto:recruitment@boinz.org.nz).

---

## ANNUAL SYMPOSIUM

**Empowering the building industry and professionals with networking, education, and innovation**

**Phone** (04) 473 6005

**Email** [events@boinz.org.nz](mailto:events@boinz.org.nz)

Our Annual Symposium is the premier building industry event. Building surveying and control professionals can immerse themselves in a world of knowledge and innovation as we explore the latest insights across legislative, technical, operational, and product perspectives in the building sector.

Meet and collaborate with fellow BOINZ members, colleagues, and industry suppliers. Share knowledge and foster connections that are crucial for industry advancement.

You will experience a wide range of product displays from our industry partners and have access to new product information.

Also included in the Symposium events programme is our prestigious **Annual Awards**. Join us in celebrating your colleagues and peers who represent the excellence within our sector!

---

## BCA LEADERS FORUM

### Discover Emerging Trends and Industry Insights

**Phone** (04) 473 6005

**Email** [events@boinz.org.nz](mailto:events@boinz.org.nz)

Our Leadership Forum is specifically designed for Senior Building Control Professionals, Government Officials and others in a senior or management level position that have an interest in the Building Control sector.

The Leadership Forum will combine presentations, case studies and interactive sessions for attendees to share common challenges and joint solutions.

This assembly of current and aspiring leaders ultimately benefits the wider built sector through a commitment to lifting quality and performance across the building industry as a whole.

**Current financial members of the Institute are eligible for discounted rates for both Symposium and the Leadership Forum.**
